

On-site MSW Employment Preparation Workshop Series 2014

Let's Talk: Success Strategies for Transitioning to the Canadian Workplace

Wednesday, January 15
FSW 108 | 12 noon - 1:30 p.m.

Designed for students in graduate and professional programs who are unfamiliar with Canadian workplace culture and practices, this interactive session will introduce work values and address professional practices that are commonly expected by Canadian employers.

*MSW Job Search and Networking Strategies

Wednesday, January 22
FSW Auditorium | 12 noon - 1:30 p.m.

Discover ways to build your professional network and make a positive impression when interacting with potential employers. Learn about the hidden job market and the benefits of informational interviews as well as how to use social media to enhance your professional image and network with valuable contacts.

*MSW Resumé and Cover Letter Development

Wednesday, January 29
FSW Auditorium | 12 noon - 1:30 p.m.

This session will provide guidelines for presenting your relevant qualifications effectively and connecting your skills, experiences and abilities to a target job. You are encouraged to bring a copy of your most recent resumé or CV.

Job Fair 2014

Wednesday, February 5
RIM Park, Waterloo | 10 a.m. - 3:30 p.m.

An opportunity to meet and network with more than 150 employers from various sectors and industries. Attend a LinkedIn Session during the Fair and receive a free photograph for your online profile!

For more information visit www.partners4employment.ca.

*MSW Interview Preparation

Wednesday February 12
FSW Auditorium | 12 noon - 1:30 p.m.

This session will clarify employer motivations and provide you with solid tips for how to distinguish yourself positively before, during and after an interview.

Note: These workshops are also key components of Laurier's **ASPIRE Professionalization Program** for students in graduate and professional programs. (*) indicates eligibility for the **Career Development Certificate** for students in graduate and professional programs.
