# Why recruit at Laurier?

## LAURIER DEVELOPS LEADERS

Through comprehensive programming starting in first year, our goal is to equip graduates with a combination of knowledge, skills, personal characteristics and competencies that will make an immediate and positive impact on your organization.

## OUR STUDENTS PUT THEORY INTO PRACTICE

Through a variety of experiential learning opportunities including co-op work terms, field placements, volunteerism in student and external leadership positions, entrepreneurial ventures, and community service-learning, our students gain invaluable practical experience.

## LAURIER RANKS NUMBER ONE IN VOLUNTEERISM

Laurier has the highest proportion of students and alumni with volunteer experience compared to any other university worldwide, according to LinkedIn. LinkedIn analyzed the 10 million professionals around the world who added "volunteer and causes" to their LinkedIn profiles; when they looked at where these professionals attended university, Laurier ranked number one.
